

# Entrano Rollstock

Code: 296

The Ultimate entrance mat for extreme traffic areas where aggressive shoe scrapping is needed.

## PERFORMANCE

The rubber reinforced 'herringbone' profile creates a unique dirt entrapment system which also prevents it from flattening even in the highest traffic areas.

## SAFETY

The ultra low profile is perfect for all age groups and areas. The high quality rubber backing prevents the mat from moving around when laid down as a loose lay or recessed mat.

## APPLICATION

EDUCATION

PUBLIC PLACES

APARTMENTS

RETAIL

HEALTHCARE

TRANSPORT

HOSPITALITY

## WEAR

The heavy duty solution dyed polypropylene fibre combined with a heavy duty high quality rubber backing makes this mat the most robust mat on the market.

## CLEANING

Easy to clean by sweeping, vacuuming or hosing the mat down. Designed to stop the dirt and water at the entrance and that's exactly where it excels.

## SIZES

60 x 90cm

90 x 150cm

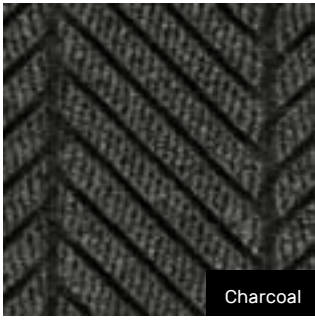

120 x 191cm

183cm wide rolls
